

Interested in finding ways to expand your business outside of Canada?

GBOC can help you get connected to the resources you need —that's our mission!

If you have ever thought about looking for investment or selling your products or services outside of Canada the Global Business Opportunities Committee (GBOC) can help.

GBOC has been created to nurture Sarnia-Lambton's export culture by connecting Lambton's small to medium-sized businesses to the people and resources they need to capitalize on global business opportunities.

By sharing best-practices and obstacles through direct dialogue, everyone in the export community can grow together.

GBOC can also help you find new markets by providing information on industry trade shows, on incoming or outgoing trade missions or by helping you develop your export strategy by identifying potential export markets.

GET INVOLVED

GBOC meets monthly, please contact Committee Chair John Wood if you would like to get involved.

The Global Business Opportunities Committee is the newest committee of the Sarnia-Lambton Chamber of Commerce and is run in partnership with the City of Sarnia, the City of London and the London Chamber of Commerce.

ADVISORY COMMITTEE:

City of Sarnia
County of Lambton
