

# YOU'RE INVITED

Join the Sarnia-Lambton Economic Partnership (SLEP) at the Lambton College Career Fair

**THURSDAY, MARCH 12, 2020**

**from 10:30a.m. – 1:30p.m.**

In recognition of the unique recruitment needs of small businesses in Sarnia-Lambton, our team has reserved a section of the Career Fair as a dedicated **“Small Business Corner”**.

---

## SMALL BUSINESS CORNER

This section is ideally suited for small businesses who are not as accustomed to exhibiting and may not have any career fair experience. The “Small Business Corner” will be a communal space with high top tables, designed for a more casual and inviting networking experience with job seekers, without the pressure to fill a full booth space or commitment to the full day. Simply bring yourself as well a few copies of job description(s) for the position(s) you would like to promote.

Small businesses will have the support of the economic development team and an opportunity to be introduced to other community partners. The Lambton College Career Fair is **FREE** to attend whether as an exhibitor with a full table or as part of the “Small Business Corner”.

As an employer, you are also eligible to attend two recruitment information sessions presented by local industry leaders.

---

Space is limited to 15 Small Businesses - Please confirm your attendance to reserve your spot.
